Said job will be let in accordance with the plans and specifications now on file with the other documents pertaining to said drain, in the office of the County Drain Commissioners of the Counties of Monroe and Wayne to which reference may be had by all parties interested. Complete copies of the plans and specifications with required bid forms are available to prospective bidders upon request and at no charge at the Monroe County Drain Commissioner's Office, 1005 South Raisinville Road, Monroe, Michigan. Contracts will be made with the lowest responsible bidder giving adequate security for the performance of the work, in the sum then and there to be fixed by us, reserving to ourselves the right to reject any and all bids, and if no satisfactory sealed bids are received, we reserve the right to proceed immediately after the rejection of sealed bids and at the same time and place and without further notice to let the contract by open bidding, likewise reserving the right to reject any and all such open bids and to adjourn such letting to such time and place as we shall publicly announce.

The date for the completion of such contract, and the terms of payment therefore, shall and will be listed in bid specifications and announced at the time and place of letting. Any persons desiring to bid on the above mentioned work will be required to deposit with the Drainage Board a **cashier's check, money order, certified check or a bidders bond** (cash is not acceptable) payable to the **Wager and Pink Intercounty Drain Drainage District** in the amount of 5% (five percent) of the bid as a guarantee that they will enter into contract and furnish the required bond as prescribed by law. The checks of all unsuccessful bidders will be returned after contracts are awarded. All bids must be made on bidding blanks furnished by the Wager and Pink Intercounty Drainage Board. All excavations shall be bid by a unit of linear measure or lump sum and not by volume. Payments will be cash every 30 days for 90% of all completed work, upon approval of the engineer.

Notice of Review of Apportionment for Drain Special Assessment
